

Peter Coyle Place

5700 - 3 St SW

Specialized Supportive Housing for Mental Health & Addictions. Trinity Place Foundation of Alberta (TPFA) is responsible for operating this three-storey, 70-suite facility that accommodates men and women 55 years of age or older who are unable to access traditional seniors housing. The facility was opened in the spring of 2005 and is the first of its kind in Calgary. We provide housing and support services to residents and apply a harm reduction philosophy model. An innovative partnership with the Alex Health Care Centre enables us to provide medical services and supports that include access to in-home physicians and nurse practitioners. 55+ by referral only (call 403-252-6412).
